**APIC CALLS FOR ALL PEACE FORCES TO SUPPORT A NO-FLY ZONE OVER GAZA  
ESTABLISHED UNDER UNITED NATIONS AUSPICES**

United Nations Secretary-General António Guterres has declared that “We are witnessing a killing of civilians that is unparalleled and unprecedented in any conflict since I have been Secretary-General.”

APIC calls for UN members states to enforce a No-Fly Zone over Gaza to protect civilians from bombing. A No-Fly Zone is an area where no warplanes are allowed to operate. It is enforced by warplanes of, for example, UN member countries.
